Kodak ESP·5

All-in-One Printer
Print, Copy and Scan

Kodak welcomes you to an easier way to print, copy and scan photos and documents for less. With the KODAK ESP 5 All-in-One Printer, you can save up to 50% on everything you print, compared to comparable consumer inkjet printers.[1] A black ink cartridge is just $9.99 msrp, and a 5-ink color cartridge is just $14.99 msrp. And the KODAK ESP 5 All-in-One Printer features a large 3" color LCD display, plus memory card and USB slots, so you can view, edit and print with or without a computer. No matter how you choose to use it, now you can print, copy and scan even more for less—while compromising nothing.
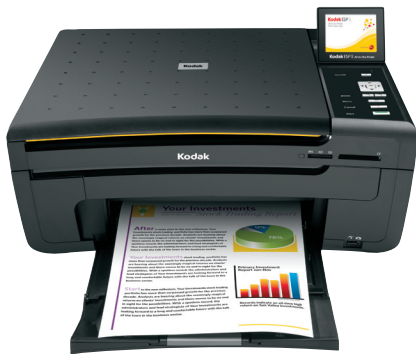

KEY FEATURES

• Affordable and convenient too, this two-cartridge system— $9.99 msrp black and $14.99 msrp 5-ink color—saves you up to 50% on everything you print, compared to comparable consumer inkjet printers.[1]

• Print KODAK Lab Quality 4 x 6 Borderless Photos in as little as 30 seconds[2] that last a lifetime.[3]

• Print documents up to 30 pages per minute in black and 29 pages per minute in color.[4]

• Large 3" color LCD display plus memory card and USB slots, to view, crop and print without a computer.

• Intelligent paper sensor automatically adjusts settings based on paper type. Even better, when you use KODAK Photo Paper, the printer recognizes the exact paper type and optimizes settings to deliver the right print time after time.

• High-definition CIS scanner will quickly scan documents or multiple pictures simultaneously, and the software will create separate image files automatically.

• One-touch color copy without PC.

• KODAK All-in-One Printer Home Center Software makes photo printing one-touch simple. With features like the new facial retouch option, you can enhance facial features or reduce the appearance of blemishes.
