# Eight Cell Smart Charger

# MH-C800S

**MSRP \$64.95**

# MH-C800S Features

## Eight Independent Charging Circuits

Eight independent circuits that charge one to eight AA or AAA batteries in any combination.

## LCD Display

The MH-C800S charger incorporates a large LCD screen displaying the charging status of each battery. The English-language-based display (CHARGE, DONE, CONDITIONING, etc) replaces traditional LED indicators.

## Selectable Soft and Rapid Charge Modes

The soft charge delivers the highest battery life and allows 100% compatibility with older, lower capacity batteries. The fast charge allows eight batteries to be fully charged to their maximum capacity in around 1 to 2 hours!

## Built-in Deep Battery Conditioning System

The Eight Cell Smart Charger is embedded with a high-rate battery conditioner that will charge, deep-discharge and recharge batteries automatically for maximum rejuvenation.

## Precision Microprocessor Controlled

MH-C800S features Maha's latest 0.001V precision microprocessor. This microprocessor will charge batteries to their maximum capacity without overcharging or undercharging. The new precision microprocessor assures maximum battery longevity, delivering just the right charge every time!

## Heavy Duty International AC Adapter

Charge batteries anywhere around the world with the included 100-240V, 50/60Hz universal adapter.

## MH-C800S vs. MH-C801D
